CÉLINE

THE LUXURY LAWN - REIMAGINED

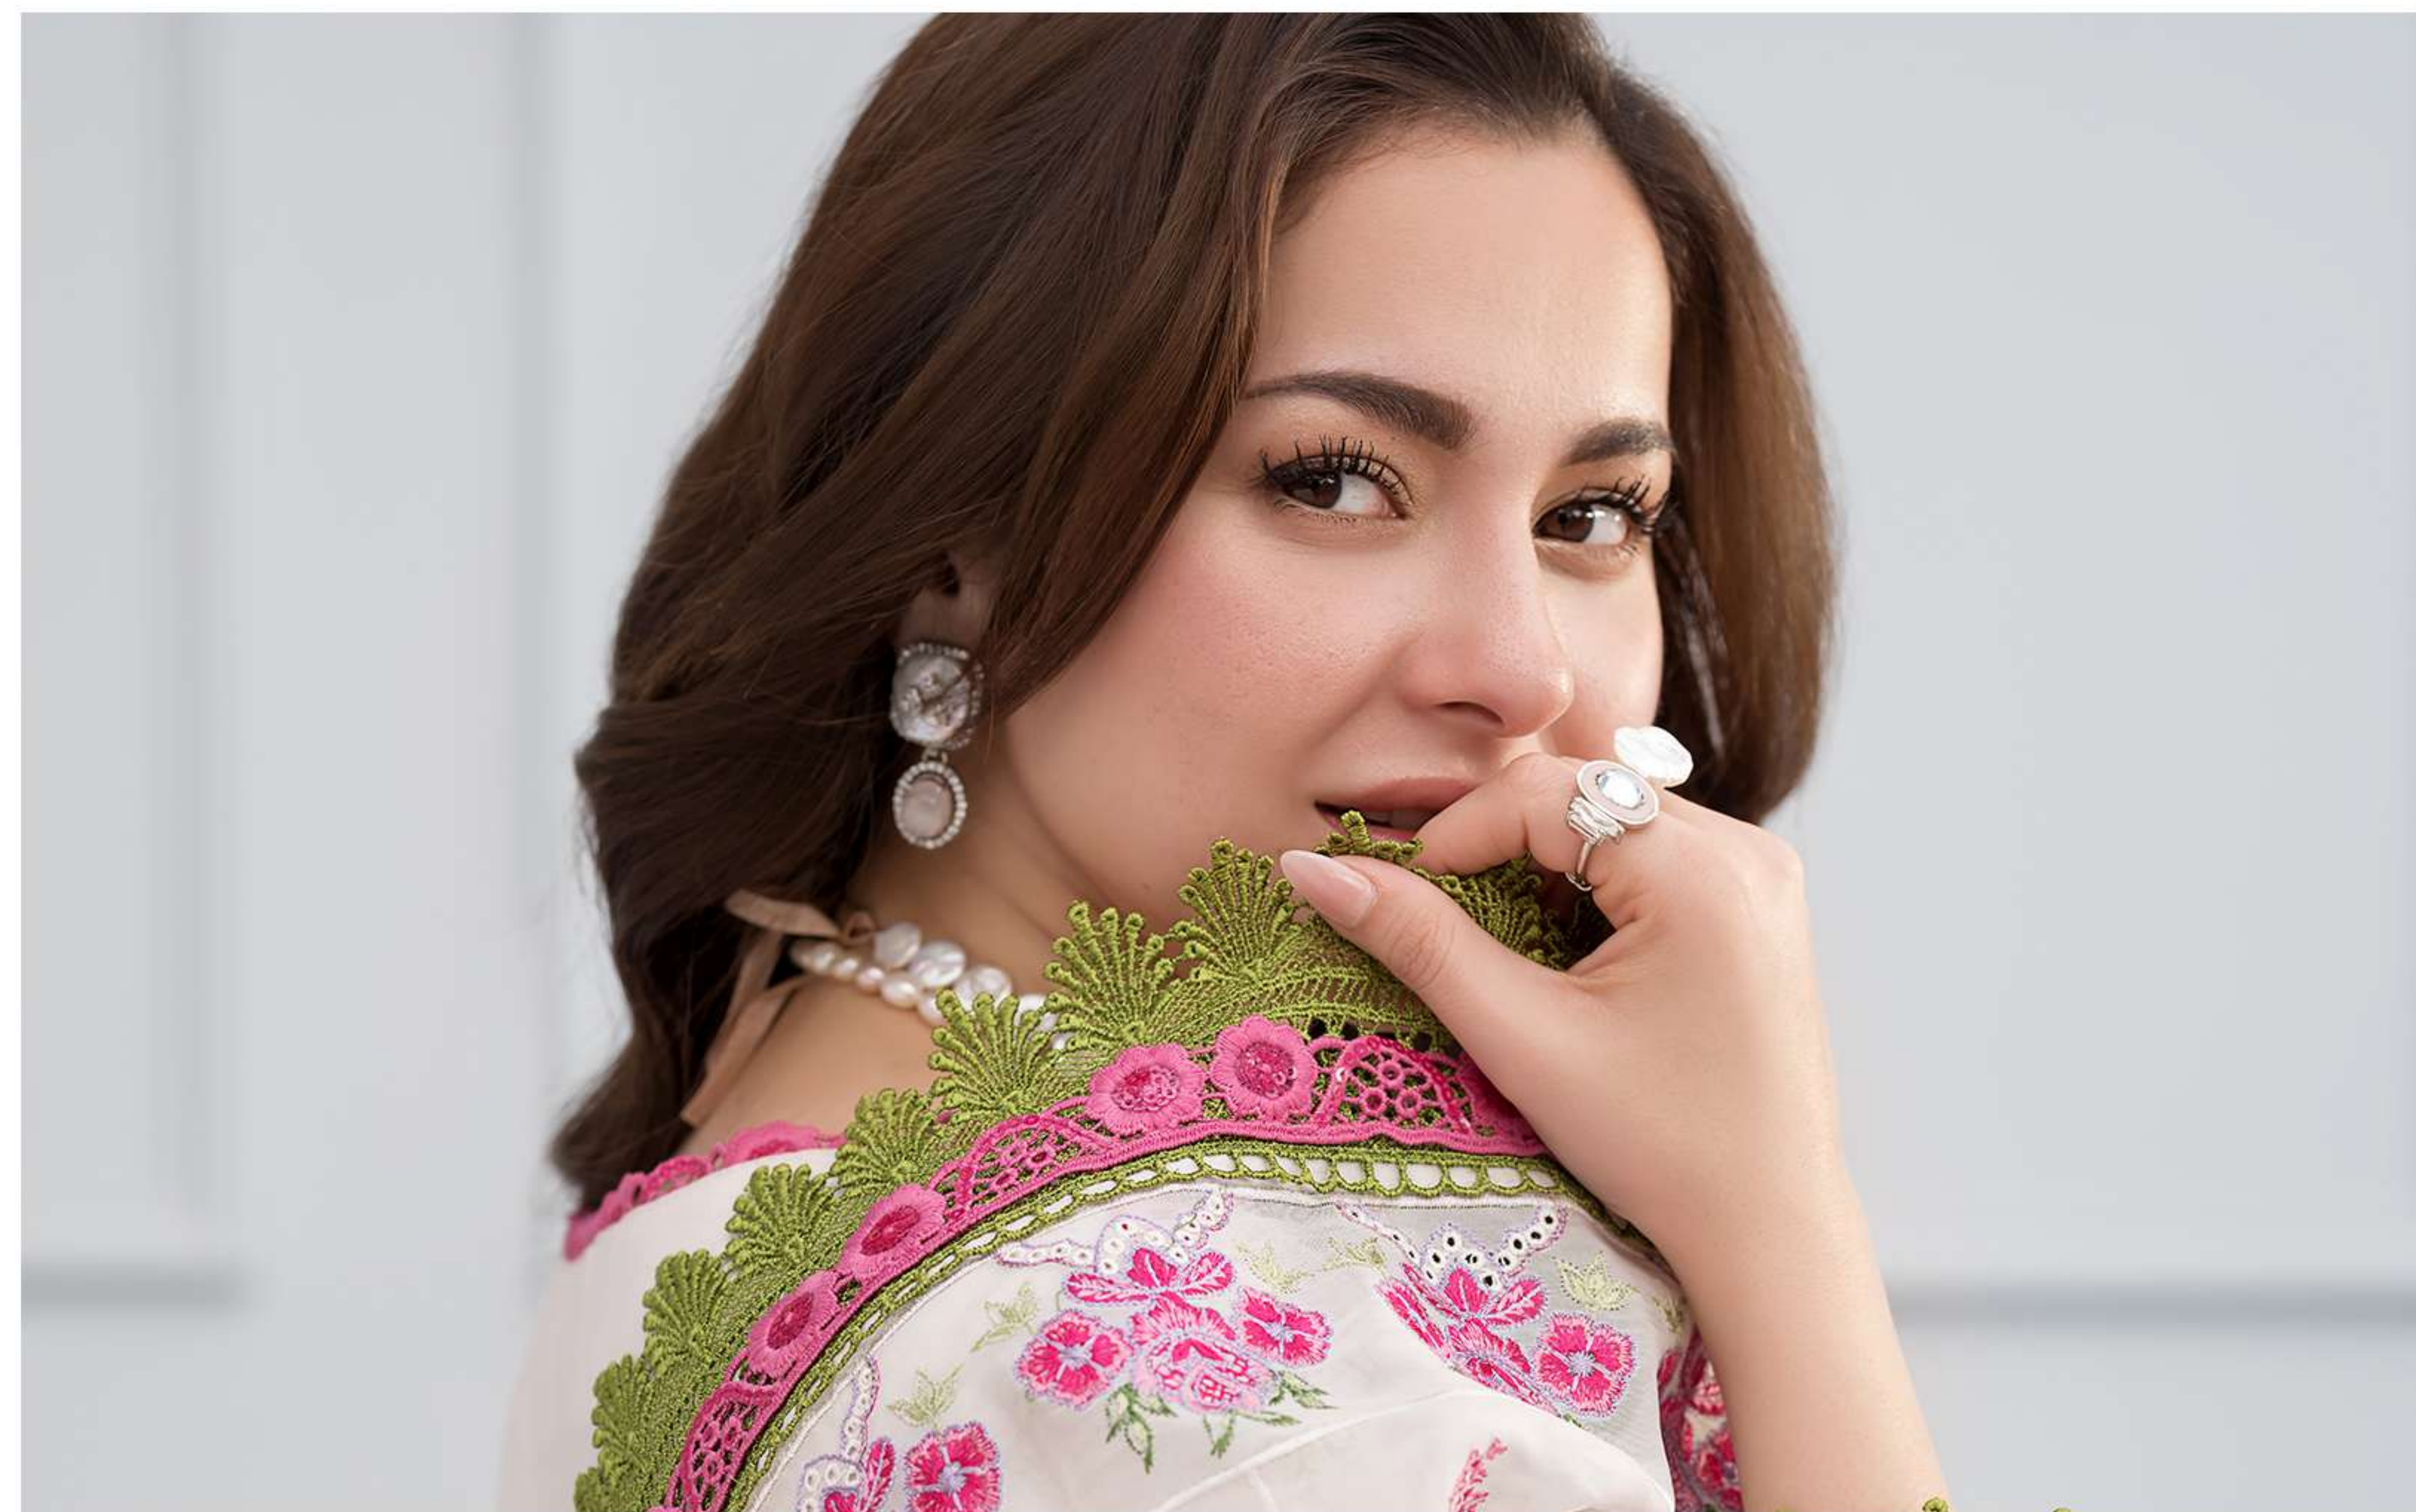

CÉLINE redefines quiet luxury — where natural fabrics, from soft lawn to silk-infused blends, compose a tactile sonnet. Two million stitches sculpt texture into art, while hand-placed embellishments, whisper-fine laces, and tassels move with intent. Not delicate, but deliberate — bold, refined, and quietly audacious in every thread.

IVORY ELYSÉEN

A Masterpiece of Magnificence: Ivory Elyseen drifts like a dream—whispers of pink and green breathe on airy silk, laced with hushed poetry. Florals and sequins bloom like fleeting memories, weaving wonder and quiet majesty. A vision not worn, but tenderly lived and felt.

BLUE DE PROVENCE

The Warmth of Southern Skies - Bleu de Provence drapes like a sunlit sigh — muted threads in grey, beige, blue, and blush weave tender memories across sheer organza. Florals bloom softly, pleats drift with grace, and scalloped veils whisper of distant fields, where quiet luxury meets timeless light.

BLACK TRIBAL

A Statement of Power - Bold yet graceful, this creation speaks in silent power — wild florals entwine with rhythmic patterns, while tassels and shimmering veils whisper tales of quiet defiance. Worn by the woman who does not shout, but owns every room with her presence.

CORAL GLOW

A Vision of Timeless Elegance - Coral Glow breathes like a sunlit dream — florals unfurl in tender rhythms, framed by blush borders and whispers of sheer organza. Looping details and lace drift softly, while an airy dupatta echoes each bloom, wrapping the moment in quiet, radiant grace.
